Type-C charging cable

User Guide

Basic Parameters

Model: RMA2003

Max power rate: $\leq 8\text{dBm}$

USB type C input: $5.0\text{V}\approx 500\text{mA}$

Operation frequency: Bluetooth2402-2480MHz

Temperature Description

The headset shall be used under the environment with $0^{\circ}\text{C}\sim 45^{\circ}\text{C}$ temperature and 45%-85% humidity, and the storage temperature shall be $-20^{\circ}\text{C}\sim 35^{\circ}\text{C}$. The headset use will be affected and even the headset and battery may be damaged in case of too high or too low temperature. The headset shall be charged at $0^{\circ}\text{C}\sim 45^{\circ}\text{C}$ which can be charged quickly at $15^{\circ}\text{C}\sim 45^{\circ}\text{C}$. The headset use will be influenced, and even the headset and battery may be damaged in case of too high or too low temperature when charging.

Warning

1. Don't place the product into a liquid environment or avoid the product exposed to high humidity.
2. Avoid extrusion to avert the damage to the product.
3. Don't attempt to dismantle the product. Put the product in a cool and dry place to keep it dry if stored for a long time.
4. Avoid touching the strong magnet to prevent the magnetic headset from being demagnetized.
5. Avoid the dusty, wet and dirty environment where the electronic circuit of the equipment may be damaged if being used.
6. Don't use the equipment at the moment of thunderstorm because the thunderstorm may incur equipment fault or shock hazard.
7. Don't use the equipment when riding a motorcycle or a bicycle, driving a car or crossing the road to ensure your safety.
8. Keep the equipment out of reach of children or pets to avert the damage.
9. Don't wash the equipment with chemical, cleanser or strong detergent.

Don't listen to the voice under high sound pressure and high volume for a long time to prevent the possible hearing impairment when the headset is used.

Battery warning

The built-in lithium battery of the product is forbidden to be disassembled, impacted, extruded or put into fire. The battery under the very low air pressure may result in explosion or flammable liquid or gas leakage. Avoid the battery in a high-temperature environment or being exposed to strong sunlight to avert explosion. Don't use the battery continuously in case of serious ballooning. The battery shall be handled pursuant to the local regulations and shall not be disposed as household garbage. Don't try to repair, remove or refit the battery. The explosion may happen if the battery is replaced by the one subject to incorrect model. Don't compress or puncture the battery with hard object. The battery leakage, overheating or outbreak of a fire may occur if the battery is destroyed.

Recycling Initiative

At realme we understand that our responsibility doesn't end at selling you our products. realme has been working in the area of safe disposal of electronic waste. Since mobiles, tablets and other electronic items are made of hazardous constituents. Under the Guidelines of Ministry of Environment, Forest and Climate Change, Government of India, E-waste (Management) Rule, 2016 and Amendment E-waste Rule 2018.

realme will seek shared responsibility and cooperation from customers in reducing the environmental impact of their products. realme will comply with all the applicable laws related to E-waste management.

For more information on safe disposal, recycling and you may log on to <https://www.realme.com/in/legal/e-waste-management> or write an email to service@realme.com or contact our Toll Free No. 1800-102-2777

Disposal and Recycling Information

This symbol (with or without a solid bar) on the device, batteries (included), and / or the packaging, indicates that the device and its electrical accessories (for example, a headset, adapter or cable) and batteries should not be disposed of as household garbage.

Warranty

Thank you for purchasing realme products. If any manufacturing defect problems occur within 12 months from the date of purchase, user can enjoy our company's warranty service.

Matters Needing Attention:

1. When you buy the product, the sales unit will issue a valid proof of purchase.
2. The warranty card and the proof of purchase should be kept by the user properly, and it will not be replaced if lost.
3. If the product fails due to non-human factors, the user can present the warranty card and proof of purchase to the realme customer service center for free maintenance during the warranty period.

Non-warranty situation:

This warranty does not cover the following cases:

1. Out of warranty period.
2. Damage caused by use not in accordance with the instructions.
3. Damage caused by man-made causes.
4. Failure caused by unauthorized disassembly, maintenance, or modification of the product.
5. Damage caused by force majeure factors (such as floods, earthquakes, lightning, etc.).
6. There is no warranty card, invoice, or warranty card that does not match the invoice information.
7. The product wears naturally.
8. Other failures and damages that are not caused by the quality of the product itself.
